Dear LSV Clients, Investment Consultants & Interested Parties:

As many of you may know, LSV has had a long-standing commitment to supporting students from under-resourced communities in receiving a quality education. To date, that support has come in the form of our commitments to UIC College Prep, the LSV Campus of the Noble Network of Charter Schools, the Pitch In Foundation and A Better Chicago.

To further this mission, we are proud to announce the formation of The LSV Asset Management Charitable Foundation (the "Foundation"). The mission of the Foundation is to continue to support our existing partners and to consider new initiatives in order to find other ways to help improve opportunities for those from diverse communities, with a focus on organizations whose missions relate to education, mentoring and tutoring.

If you have any questions regarding the Foundation, please contact your LSV representative.
